

## **Call for Papers – SERI-D Conference 2022**

Second Annual Conference for Doctoral Students

[Society for Economics Research in India](http://www.seri.network)

Conference dates: December 9-11, 2022 (Online)

Submission deadline: October 1, 2022, 11:59 PM IST

Email: [phdworkshop@seri.network](mailto:phdworkshop@seri.network)

The [Society for Economics Research in India](http://www.seri.network) (SERI) is pleased to announce a call for papers for its Second Annual Conference dedicated to doctoral students based in India. The SERI-D online conference aims to offer a platform for advanced graduate students to present papers that are close to completion for focused feedback and inputs that will enable them to take these to publication in internationally recognized peer-reviewed journals. We welcome papers from all fields within economics and papers that are theoretical, applied, or empirical. Graduate students enrolled in non-economics departments who are working on topics in economics are welcome to apply.

### **Format:**

The conference will consist of 10-12 paper presentations for about 45-50 minutes followed by a detailed discussion led by a faculty member.

### **Eligibility:**

Doctoral students registered in Indian universities.

### **Selection process:**

Submissions will be reviewed in the first instance by the organizing committee; the final selection of papers will be made in consultation with SERI members with the relevant domain expertise. Our intent is to ensure a mix of papers representing diverse fields, methods and institutions, without compromising on academic standards. The final selection will be announced on November 15, 2022. Selected presenters will have an opportunity to submit updated versions of their papers by November 30, 2022.

### **Instructions:**

1. Each individual should only submit one paper to the workshop but a person may be a co-author on multiple papers. Please submit complete papers before October 1, 2022, 11:59 PM IST at <https://forms.gle/CysPne5hixEuhadE7>
2. Papers should be in PDF format and should include any supplementary materials that are essential for a fuller understanding and appreciation of the paper. All materials should be merged into a single PDF file and named as: <<LASTNAME\_INSTITUTION.pdf>>
3. For papers co-authored with supervisors, we request a letter from the advisor stating that the student has made a substantive contribution to the paper.
4. A paper that has been presented in the SERI-D or SERI Annual Conference in the past will not be considered for SERI-D 2022.

### **Organizing Committee:**

Rashmi Barua, Jawaharlal Nehru University (JNU), New Delhi

Anirban Kar, Delhi School of Economics (DSE), New Delhi

Vidhya Soundararajan, Indian Institute of Technology (IIT), Mumbai
